

# Foundry Type

## Domestic Foundry Type For Printing Hot Stamping Rubber Stamps

Our hard foundry is cast from a special formula of lead, tin, antimony and copper. This formula enables the type to last under the pressure of hot stamping or molding for rubber stamps. The type is also ideal for all printing purposes.

## Hard Foundry Type – Prices

Point Size	Caps	Lower Case	Figures	Price Complete
6pt	\$31.60	\$40.90	\$15.80	\$88.30
